

PSYCHOSOCIAL SERVICES IN VIENNA

WE ARE

the largest provider of psychosocial and psychiatric care in Vienna and form a network of treatment institutions, counselling centers and other medical psychiatric support services in Vienna.

DO YOU NEED COUNSELLING?

If you need general information related to mental illness, information about health and social services in Vienna or about the institutions of PSD-Vienna, please contact our PSYCHOSOCIAL INFORMATION (+43 1 4000 53060).

DO YOU NEED TREATMENT?

If you suffer from a mental disorder and you need medical treatment, please contact the respective SOCIAL PSYCHIATRIC OUTPATIENT CLINIC - depending on your district of residence or accommodation address. A multi-professional team on site offers treatment and support in all areas of life or helps with referral to other institutions of the City of Vienna. Video interpreting and telephone interpreting services are also available.

Before visiting our institutions for the first time, we ask that you make an appointment by phone.

DO YOU NEED HELP IN A MENTAL/PSYCHIATRIC EMERGENCY SITUATION?

Our SOCIAL PSYCHIATRIC EMERGENCY SERVICE (+43 1 31330) can be reached by phone 24/7 (even on weekends and public holidays) in case of acute psychological emergencies.
